<p>ASU-Midsouth Home Visiting Services Brandy Ivy, Coordinator Home Visiting Services (HVS) is a home visiting model that provides support to families in the first years of their child's life. Families receive personal home visits twice a month that focus on parent-child interaction, development centered parenting and family well-being. Monthly Group Connection meetings, usually held on the ASU Mid-South campus, allow PAT families to build connections with other parents and increase their knowledge of ways to support their child's development. The children also receive screenings to help identify areas of strengths and concerns. 870-733-6027 https://www.asumidso.uth.edu/home-visiting-services/</p> <p>See Next Page Crittenden County Department of Human Services (county-wide) Local Administrator, Gerald Stamps 404 South College Blvd West Memphis, AR 870-732-5170 https://humanservices.arkansas.gov/</p>
